

The Institute of Industrial & Systems Engineers Asian 2018 Conference

(Oct. 18-20 2018, Taichung, Taiwan)

Joint with

The Council of Industrial Engineering Department
Heads in Greater China, CIEDHC

2018 Chinese Institute of Industrial Engineers Annual
Conference

INSTITUTE OF
**INDUSTRIAL
& SYSTEMS**
ENGINEERS

中國工業工程學會
Chinese Institute of Industrial Engineers

Important Dates

Deadline for abstract submission

April 30, 2018

Notification of acceptance

May 31, 2018

Full paper submission

August 31, 2018

Early bird registration:

September 15, 2018

Conference Date

October 18-20, 2018

Aims and Scope

The Department of Industrial Engineering and Enterprise Information, Tunghai University is proud to organize the 2018 IISE Asian Conference. The conference aims to share and disseminate, to all branches of industries, information on the most recent and relevant research, theories and practices in industrial and systems engineering. We welcome papers in, but not limited to, the following areas:

Big Data Analytics and Intelligent Computing

Engineering and Technology Management

Engineering Economy and Cost Analysis

Facilities Planning and Management

Global Manufacturing and Management

Human Factors

Healthcare Operations Management

Industrial & Systems Engineering

Education and Training

Information Processing and

Engineering

Industry 4.0 & Cyber Physical System

Systematic Innovation

Lean Production

Manufacturing Process and Systems

Operations Research

Production Planning and Control

Project Management

Quality Control and Management

Reliability and Maintenance

Engineering

Safety, Security and Risk

Management

Sharing Economy

Supply Chain Management

Systems Modelling and Simulation

Publication

All papers will be included in conference proceedings of IISE Asian Conference 2018. Papers with great quality will be recommended to special issues of the Journal of Industrial and Production Engineering (EI, TSSCI), Journal of Quality (EI), International Journal of Reliability and Quality Performance, and other SCI/EI journals.

Conference Venues

Howard Hotel, Taichung, Taiwan and

Humanities Building, Tunghai University, Taichung, Taiwan
